

Safari is now O'Reilly for Public Libraries

We're upgrading your account—and your patrons are going to love it.

We're excited to share some great news: you're being upgraded from Safari Books Online to O'Reilly for Public Libraries, at no additional cost. You'll still have access to the same great titles and videos as before, plus some extra special features too. It's just our way of saying thanks for being a longtime O'Reilly customer.

Your current Safari membership includes:

- Videos
- Books
- Content from 200+ publishers
- MARC records
- IP-only authentication

With your upgrade to the new O'Reilly for Public Libraries, now you'll get:

- More videos (30K+ hours!)
- More books (40K+ titles!)
- Content from 200+ publishers
- Resource centers
- Learning paths
- Case studies
- Expert playlists
- MARC records
- IP-only authentication

ProQuest is the exclusive academic and public library sales agent for O'Reilly.
